Comments	<input type="text" value="I fully support this application, our village needs a sports facility that will help keep our children and teenagers enthused and and interested in many sporting activities. I believe that a lot of trouble could be avoided if everybody, especially youngsters had interesting and safe facilities to use. My grandchildren when they play football or rugby have to go to Bodicote or Deddington or even further afield, thus increasing car journeys and pollution. I know we have got Lucy Plackett, but this year since before Christmas it has been wet and boggy and hardly useable. Again I support this venture, please as soon as possible let's get it done. Thank you."/>
