Comments	<p>I refer to Planning Application 19/02796/F - The Development of Playing Fields and Facilities in Adderbury and would like to record my objection as follows: 1. Car Parking and Entrance- the field in question must be over 100metres in length and yet the proposal is for the entrance to be about 50 metres from Henge Close, also the field must be over 4 acres in size and yet the proposal is for car parking to be right behind houses on the West perimeter of Henge Close. I thought that Parish Councillors would have a duty to look after the interests of all parishioners (including those new to the parish). It is clearly not the case here. Unless there are very severe restrictions on the hours the facilities can be used, then those residents of Henge Close will be subjected to severe traffic noise and light pollution, potentially several evenings a week! The car park can surely be located nearer the BallColgrave site. 2. Main Building. I would challenge the need for badminton courts in the village, which must be adding considerably to the cost of the building. There are perfectly of good courts at Spiceball. In general the main building seems 'over the top'. Surely a modern looking village hall including changing facilities and showers would be sufficient. 3. Business Plan. The village has yet to see a proper Business Plan for the facilities, which must include projected operating costs, and income. Also who is going to own the building, and be responsible for any financial shortfall.</p>
