| <b>Comments</b>           | <input type="text" value="First of all I am afraid that I have a complaint., When my address came up automatically it said Rochester Way, Twyford - it is not Twyford it is Adderbury. The name Twyford has never been adopted officially either by the Parish Council or Cherwell District Council, it is just something that the GPO decided to do. I have written in the past to the Chief Executive and she wrote to confirm that all letters etc. for this part of the village would indeed bear the legend Adderbury and definitely NOT Twyford. I was the District Council for Adderbury for some 20 years and it is something that I feel very strongly about. As some people feel that they are not part of the village proper and they most certainly are. We pay rates for the village of Adderbury not Twyford, we elect councillors the the village of Adderbury not Twyford. Would you please ensure that this is corrected for future useage. As I said I was the District and Parish Councillor for Adderbury for some 20 years and as such I write to implore you to grant full planning permission for the new Playing Field and Hall on Milton Road. It is something we have wanted for many years. I moved to Adderbury in 1967 and even before that time we were regularly unable to use the existing Playing Field (the Lucy Plackett Field) because the aea flooded throughout the Winter months. Also our current village hall on The Green is not suitable for modern day useage, there are various sports and celebrations we are unable to use it for and a new Hall and field are very overdue. I believe that most of the people who want to stop this Hall and Field useage are newcomers. Surely there solicitors and/ot agents must have told them what was planned, after all it has never been kept a secret. Therefor I implore you to give it full permission, as soon as possible. Thanking you most sincerely,, AlineGriffiths (formerly Smith)"/> |
