Comments	<input type="text" value="This facility would be a fantastic addition to our very active village. Adderbury has so many different groups and societies, sometimes it's hard to find a venue to arrange something. I am a member of one of the Adderbury Morris Dancing sides and sometimes we have up to 25 dancers at our weekly practices. The hall we use is brilliant but it's not big enough for us all sometimes making it challenging to practice our big dances. Not only would this community centre be fantastic for us to practice in, it would allow us to use it for other Morris events and to invite different sides to the village."/>
