For the attn>- Matthew Chadwick Planning Development

Dear Sir,

We are objecting to car parking directly at the rear of our house, because of headlights shining into our lounge/dining room. This will also effect our neighbours

We believe it would be more logical for the infrastructure to be next to Ball Cosgrove a commercial premises, with an entrance at that end of the field.

It would make common sense to have the Sports fields between the infrastructure and the residential buildings.

Yours sincerely,

S & M EDKINS
