Comments	<input type="text" value="I am in full support of the new facilities at Milton Road Adderbury. I have been a resident of Adderbury for over 40 years (since a baby) and my family and I feel that a new community centre and sports facilities are long overdue. Our village deserves good quality community buildings as there are many social and sports groups looking for places to meet. As a member of the Adderbury Running club I would hope we could regularly use the new facilities. Our current community buildings do not meet the needs of our village. It would be great to hold workshops or meetings in a clean and warm building. I very much hope you approve planning for the site as the people of Adderbury and Twyford really deserve this new development."/>
