Subject: Planning Application 19/02796/F - OS Parcels 3309 And 4319 Adjoining And North Of Milton Road Adderbury

Dear Matt, please see below, Adderbury Parish Council's comments in support of the above planning application.

Adderbury Parish Council supports the above application as it provides much needed new facilities for residents in the 21st century. Adderbury's community and sports facilities are outdated and it is not possible to improve them to achieve the standard needed for a village the size of Adderbury.

The Parish Council has consulted widely and all consultations have shown a majority support from residents. This includes the Adderbury Neighbourhood Plan (ANP) consultation and two Parish Polls.

The Parish Council is following the Adderbury Neighbourhood Plan policy AD18 which allocated this land for sports pitches and a community facility. The ANP was supported by a large majority at the Referendum.

The provision of improved sports facilities also complies with Cherwell District Council's own policies for sports facilities in Cherwell, as well as national policies for more inclusive sport and improved public health through exercise.

Consultation have also been completed with potential user groups and over 25 have expressed a firm interest in using the facility.

Thanks,

Theresa Goss
