Comments	'Re revised plans,they are still not acceptable in my opinion.Surely it would make sense to have parking away from residents in Henge Close. One can only envisage the noise and aggravation the cars are going to cause. I just cannot understand why the car park cannot be at the far side of field which is next to Colegrave Seeds, a business with no dwellings so not upsetting anyone outside work hours.What about dogs,we have 2 and cars will certainly work them up and presumably the club house will be used for functions,fair enough,is everyone going to be on their best behaviour and leave by a designated time?Cars near private dwellings for social occasions will be a nightmare.I really would like to know why there is such a problem with the car park not being away from private houses.
