Dear Sir,

Planning application 19/02796/F North Milton Rd. Adderbury

Further to my previous objection to the above plan, I can see no alteration to my concerns.

- The building materials are not good enough. Their low grade appearance will not stand the test of time and the village will be left with an unsightly, shabby building.
- The siting of the building and car park have shown little thought. Whilst the best location would be in the NW corner of the field, I realise for economic reasons it has been placed near the road. The SW corner would show much more consideration for those residents in Clockmaker's Turn.
- With this in mind, I question the layout of the pitches. Surely they should be in a North/South direction?

The Banbury Guardian stated this application be delegated. The controversy this application has attracted suggests it should go to Planning Committee.

Yours faithfully,

[REDACTED]
(IAN JELFS)
