Comments	<p>We have lived in Adderbury as a family for 24 years and been actively involved in village life for all of that time. I know that there have been 2 Parish polls concerning the Milton road development, both of which have demonstrated strong support for this new Community and Sport facility. I am disappointed that the very new residents in Henge Close have taken it upon themselves to try and frustrate the will of the wider community. They were presumably made aware when buying their properties that this was on the cards, if they weren't then they should raise the issue with their solicitors. The current facilities are outdated and no longer meet the needs of our thriving village which includes Twyford and East Adderbury and the development should not be held back by the few.</p>
