| Address | <input type="text" value="29 Deene Close,Adderbury,Banbury,OX17 3LD"/> |
| Type of Comment | <input type="text" value="Support"/> |
| Type | <input type="text" value="neighbour"/> |
| Comments | <input type="text" value="I have lived in the village for over 30 years and I very much support the new sporting facilities at Milton Road and feel that the village is in much need of a new updated community centre with better parking available. Lucy Plackett is an ideal and picturesque setting for cricket to be played, but this is not suitable for football because of flooding and the facilities there are in much need of updating. Adderbury should have good facilities just as many of the local villages have, and on the perimeter makes more sense than causing traffic within the centre of the village. I think that most people close by within the Adderbury will probably walk to the new centre and the parking would be mainly needed for visitors or opposition teams. Anyone who has purchased houses nearby should of known about the plans for this as it's been talked about for a very long time. We the villagers have already been asked to vote twice on this application and both times the result were in support. This is a much needed facility for the village, as the existing facilities are diminishing and bearing in mind how the village has grown in size over the last couple of years and is still continuing to do so."/> |
