| Comments | <input type="text" value="The village needs this facility badly. Adderbury has grown/is growing at a phenomenal rate and a modern centre that can offer a good recreation ground for this influx and improved facilities for the villages elderly population can only be a good thing. Other villages around these parts have a modern village hall - why is Adderbury the odd one out with it's tired old Institute and underwater sports ground. The time for a new village cultural, sports and social centre is now."/> |
