Comments	<input type="text" value="The village has needed a sports facility of this kind for many years now. Having lived in the village since a very young age I was forced to play football in neighbouring villages such as Deddington and Bloxham due to there not being any youth sports teams in Adderbury. This facility would help to bring the community together and give opportunity for many young and old villagers to be regularly involved in sport and maintain a healthy lifestyle."/>
