Comments	<input type="text" value="I support this application for change of use. With the new Bletchingdon Coop given the go ahead, it is now very difficult for a small shop such as Kirtlington Stores to be lucrative or even feasible. The current owners and locals have tried their best to make it work with various strategies tried over the past few years. However, it is now not viable in my opinion. I shall be very sad to see it go as it is a community centre, but hopefully, something can be put in its place such that not all is lost. The problem has arisen due to the permission for the Coop and the current owners should not be penalised as a result."/>
