Comments	<input type="text" value="I support this application. The shop has been in difficulties for some time. This wasn't helped by the fact that Rachel's husband suffered a severe illness last May and has been unable to work since then. They have 3 school aged children so Rachel has struggled to cope with running the shop, Post office and looking after the children, thus putting a great strain on both her and the shop. Takings have been down in the past few months not helped by the fact the Co Op has opened in Bletchingdon and taken quite a lot of trade away. I therefore think the shop is no longer a viable proposition."/>
