Comments	<input type="text" value="I fully support the application for change of use of the shop to residential as it is no longer a viable commercial enterprise. Despite the efforts of the current owners, their family and volunteers from the village, footfall has significantly decreased and this has been exacerbated by the opening of the Co-op shop in Bletchingdon. There appears to be no likelihood of an improvement in the shop's financial situation in the foreseeable future. Its potential for attracting a buyer as a going concern seems remote."/>
