Comments	<input type="text" value="It is with a heavy heart that we support this application. The shop has not been financially viable for a long time despite Rachel and Amier's commitment, investment and innovations. In recent months a Cooperative has opened a mile or so away which has diverted many customers and weekly takings are down. To add, it is not easy juggling a business which is struggling, along with caring for a young family and coping with serious illness. We respect Rachel and Amier's decision, and after many years' service to the village, we would strongly encourage Cherwell DC to grant the change in usage of the building into a residential house. Thank you."/>
