Comments	<input type="text" value="I fully support Rachel and Amir's application to turn the shop into a dwelling. The shop is no longer commercially viable because of a lack of footfall and the issue exacerbated by the recent opening of a Co-op in Bletchington. I am slightly puzzled by the comment/condition regarding the installation of a cycle rack outside the premises. Why would any family want this outside their home? Surely a more appropriate location in the village can be found?"/>
