Subject: Planning Application - 19/02948/F

Dear Mr.Neville,

So, after having presided over this shambolic and frankly incorrectly run process, which included early on with your failure to put up proper notice, the application has been approved.

This should never have been granted. And is another example of greed and complicity leading to the creation of unnecessary danger to human beings here, and the erosion of law.

I will be sure to keep you up to date with full details of all accidents that happen.

Sincerely yours

Fraser McGee
