Comments	<input type="text" value="I believe this shop seems like a good and convenient idea, although it would make the area even busier than it already is. On the weekends there are auctions running at the JS Fine Art, which brings a lot of people/cars, making it very difficult to even come out the driveway, let alone the road itself. Traffic lights wouldn't be a bad idea to ease the traffic which is coming on and off the Oxford road."/>
