Dear Sirs

Application for approval of details reserved by Condition 5 of Full Planning Permission 19/00446/F at

Dorchester Phase 5D, Phase 8C and Trenchard Circle, Heyford Park, Camp Road, Upper Heyford, Oxfordshire, OX25 5HD

Submission of Amended Information

I write with reference to the above application for the discharge of Condition 5 attached to the above full planning permission at Heyford Park in respect of land at Dorchester Phase 5D, Phase 8C and Trenchard Circle, Heyford Park.

Please find attached the following amended information which supersedes that submitted under cover of our earlier letter dated 8th January 2020:

- Construction Environmental Management Plan (CEMP) for Phase 5D, Phase 8C and Trenchard Circle. (ref: Version 1 Dated Jan 2020);
- Traffic Management Plan – Phase 5D – drawing ref: TM-5D;
- Traffic Management Plan – Phase 8C – drawing ref: TM-8C;
- Traffic Management Plan – Phase TC – drawing ref: TM-TC;

This amended information has been prepared in response to the formal consultation comments of Oxford County Council dated 19th October 2020, which identified the lack of a traffic management plan from the original submission.

I would therefore be grateful if the documentation package for application 20/00127/DISC could be updated and the application progressed accordingly.

Yours faithfully
