Condition 9(a) – Development Stages A1 and A2

Approval is given for the Heritage Delivery Strategy, Document Reference: 133735-EWR-REP-EEN-000244 dated February 2020 and submitted as part of this application as the specific details for a number of the sites, including the physical preservation of the Mill Mound in area 2A0354/8.1/FB are now removed from the scheme, and as they relate to monitoring and sign off requirements that are not included in this strategy, they can be dealt with by the individual written schemes required by condition 9b.
