Dear Ms Magnuson

I am aware that these comments on the above application are submitted later than the 1st April and will only be considered if a decision has not yet been made. Believing that a decision has not yet been made please accept our late comments.

Our property is The Manor House, Colony Road in Sibford Gower, OX15 5RX. The Yews backs on to our property. The Yews plans entail raising the roof height. We would object to this **if it gives views over our garden and swimming pool area**. Young children use the swimming pool and giving sight of this area from the Yews presents privacy and child safe guarding issues.

Please let me know that you have noted our comments to the Yews planning application.

Yours sincerely

Michael Donovan
