Dear Madam,

TRANSPORT AND WORKS ACT 1992: APPLICATION FOR THE PROPOSED NETWORK RAIL (EAST WEST RAIL BICESTER TO BEDFORD IMPROVEMENTS) ORDER

Surface Water Drainage Assessment

Further to receipt of your invalid notification reference 20/00722/DISC dated 11th March 2020, as requested we write to confirm that our submission reference 133735-EWR-LTR-DEL-000037/LW dated 3rd March 2020 was submitted in order to discharge Condition 14. Surface Water Drainage and as such enclose the corrected documentation as follows.

On review of the Invalid Application Notice received we understand the only amendment required to be:

Amendment of the following covering letter detail:

Note: Errors identified have been highlighted in yellow:

13. Surface Water Drainage Assessment

(a) No construction of the structures and the stations listed in paragraph (c) is to commence until an overarching surface water drainage assessment, based on the principles of sustainable drainage, has been submitted to and approved in writing by the relevant local planning authority.

Reason: *To improve and protect water quality and ensure the provision and maintenance of adequate surface water drainage systems*

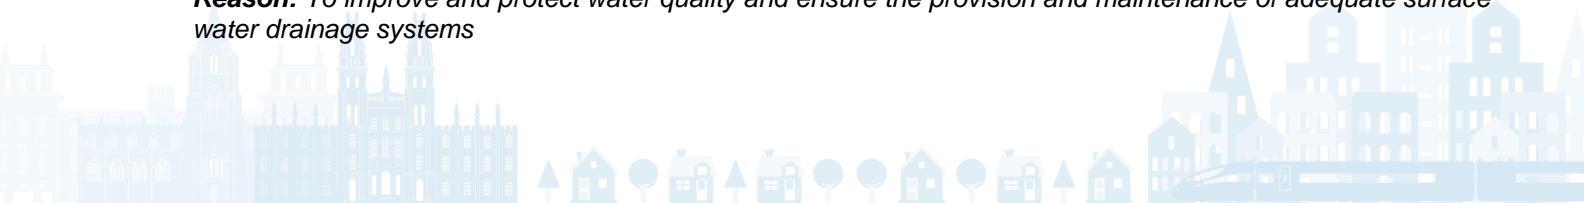

Corrections have been made as identified below:

Note: Corrections made have been highlighted in yellow:

14. Surface Water Drainage Assessment

(a) No construction of the structures and the stations listed in paragraph (c) is to commence until an overarching surface water drainage assessment, based on the principles of sustainable drainage, has been submitted to and approved in writing by the relevant local planning authority.

Reason: *To improve and protect water quality and ensure the provision and maintenance of adequate surface water drainage systems*

We enclose a revised covering letter amended to reflect the corrections described above, along with a copy of the Overarching Surface Water Drainage Assessment as previously issued under cover of letter 133735-EWR-LTR-DEL-000037/LW dated 3rd March 2020.

For further clarity our submission reference 133735-EWR-LTR-DEL-000037.2/LW dated 12th March 2020 supersedes our previous submission reference 133735-EWR-LTR-DEL-000037/LW dated 3rd March 2020.

We look forward to receipt of your response, in due course.

Yours sincerely
