Dear Linda

We have not received a reconsultation on this, but in anticipation that we will, our response is that on the basis of the plans and standard details listed below, which have been added to the portal on 8th and 12 June, **Oxfordshire County Council as highway authority does not object to the discharge of this condition.**

Note that this does not include the Soils Management Plan information uploaded against this application number, as we do not consider it relevant to this condition.
