

PUBLIC NOTICE

East West Rail Phase 2 (EWR2)

**Temporary Closure of Public Right of Way (PRoW)**

The East West Rail contract is part Network Rail's Railway Upgrade Plan and links Oxford to Bedford and Milton Keynes via Bletchley; and Milton Keynes to London Marylebone via Aylesbury.

The East West Rail scheme involves upgrading and reconstructing under used and mothballed sections of the railway linking the Great Western, Chiltern, West Coast and Midland main lines north of London, providing a strategic east-west route connecting key centres

For the safety of both the general public and the work force it is necessary to temporarily close this PRoW (footpaths, bridleways and byways).

This closures will be in place for the duration of the works and will reopen upon completion of the works.

We apologise for any inconvenience this may cause.
