Comments	<input type="text" value="Sibford Gower Parish Council SUPPORT this application This property is identified as a non-designated heritage asset, situated within the Sibfords Conservation area. The application to convert an existing loft space into an additional bedroom with two additional dormer windows to the south elevation is both proportionate and appropriate for the property. There would appear to be a precedent identified through a similar conversion to the adjoining property (Bankside Cottage ? planning ref: 03/00857/F)"/>
