NOTES

PHOTOS OF THE FORGE AND STEPS WILL FOLLOW SEPARATELY

<u>Windows</u>
The window should have a true glazing bar, not planted/glued on to

Edge spacers should be non-metallic finish - matt black works better if

Doors
A cover strip could be attached to the inside of the meeting stile on one

The personnel door to the workshop would have a traditional thumb

latch, there would be an additional rim lock as is found at the property.

The Garage doors will have internal bolts/bars with no external handles.

Existing strap hinges on site are acceptable, painted black but need to altered in size to suit the door width.

EACH BRICK WILL BE CAREFULLY REMOVED, CLEANED AND NUMBERED TO BE REINSTALLED ONCE THE OUTBUILDING HAS

CONDITION No 8

FORGE AND EXTERNAL STEPS

the window is to be painted a non-white.

of the door leaves to cut down on drafts.

Slimline double glazing (between 10-16mm thick).
