Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="I live next door to the beaches and oppose these plans. 1/ This end of the village was said to have no housing according to the district council the parish signed up to an agreement 2/ The environment that is here now holds a lot of wild life, to include birds such as red kites, buzzards, black birds woodpeckers,bluetits,,robins, magpies and many more. There are Deer, Badgers ,Hedgehogs, Foxes, Rabbits and so on, 3/ these are large houses that may not sell as in the village some large house have been on the market for a very long time 4/ The properties are not affordable homes so very unlikely to be bought from within the village for the younger generation 5/ There is one small driveway that would not allow a two way traffic system to work, especially from the entrance 6/ The amount of traffic this would generate from these properties would be bad for the environment, noise pollution and dangerous as the road is on a hill and not a wide road 7/ We are surrounded by Rousham Estate fields of beauty and this would be disruptive. 8/ How many trees to come down for this as the proposed area has a lot?"/>
