Comments	<p>I strongly object to the proposed plans of building a caravan park on Milton Road. As a local resident our privacy will be greatly compromised and also our security, as our house backs directly onto an open field connected to the proposed cavan Site, no doubt Increasing footfall Past our property and therefore increasing our insurance costs. The plans are inappropriate and not required in this area, and local infrastructure such as the small lanes leading to the proposed site (milton road) will be overwhelmed and become dangerous. Small villages such as Adderbury, Bloxham and Deddington will also become overwhelmed with increased traffic which will greatly inconvenience the daily routines of many local residents including the commute to work. Please consider the feeling of the local residents who really do not want this caravan park to go ahead and will be greatly affected should it be approved.</p>
