Comments	I strongly object to this development being proposed. As a resident of West Adderbury our properties have open backed fencing over looking the farmers fields which will no doubt become a thoroughfare, & our security & privacy will be compromised, further increasing our insurance costs. Furthermore there will be an adverse impact on traffic on the already busy narrow country lane off Milton Road. Given that there is already a caravan park at Bo Peep farm there is no justifiable reason for this development in this area. please do not allow this development to be accepted. Thank you
