Comments	<p>I strenuously object to a caravan park opposite our homes for the following reasons: 1. Traffic along Milton Road is a danger already. We don't need to exacerbate this. 2. With the football club already Planned right adjacent to our houses, traffic is going to increase. 3. A football club with a bar is already inappropriate in a quiet village residential area that can only be destroyed by the additional traffic and noise. Having a holiday area as well just compounds this, with more traffic and more noise. We want our area to stay residential, not turn into a leisure park. 4. The surrounding farmers, fields are what lend peace and quiet and beauty to our village. caravan parks are an absolute eyesore and add nothing of any value for the residents of the village. 5. We are already losing access to green and natural footpaths, not to mention habitat for birds, bees and other wildlife. How much more do we have to lose? While we appreciate the need for housing as this benefits the community, we have to implore you to not permit the destruction of our village any more. There really shouldn't be any development that isn't essential and to the benefit of the West Adderbury community. Regards Paul and Dawn Harry</p>
