Comments	<input type="text" value="Why do we need to continue to expand the edge of the village. Was 2 great big housing estates not enough. This consultation was done crudely and secretively during lockdown so no one got to hear of it until now! No public consultation to discuss with local people to find out their views. This should not be allowed!! We are a village with an already overpopulation Also clarification on whether a recreational or travellers site?! We'll lose yet another dog walking pathway and countless wildlife!"/>
