| Type of Comment | <input type="text" value="Objection"/> |
| Type | <input type="text" value="neighbour"/> |
| Comments | <input type="text" value="This is a disaster for Adderbury , Milton, and the council, far too large a development for the site, too much traffic, bad for the environment, destruction of local habitat, increased pollution, crime etc etc, there is already strong suggestion that this will become a static caravan site with all the associated problems that will bring to the area. The council only have to look a little deeper to see this."/> |
