We object most strongly to this application for the following reasons:

- a. It has no amenity value to the communities of Adderbury (which has the Bo Peep site) and Milton. It appears to benefit only the applicant.
- b. It would further expand ribbon development along the Adderbury to Bloxham road (i.e. the latest estates west of Adderbury and east of Bloxham on both sides of the road) which is already threatening to encroach on Milton.
- c. It would lead to an increase in traffic along the Milton road, the existing volume of which (coupled with the excessive speed of many motorists) poses a significant risk to Milton residents whose only exits from the village are onto the Milton road.
