Comments	<input type="text" value="We have had to put up with the building of two new housing developments at this end of the village thus causing a lot of traffic through the village and now we are being asked to accept a caravan park on our doorstep. There is no doubt that this will become a traveller site causing environmental damage, traffic and crime...a caravan park would have an enormous impact on our village, the local infrastructure cannot cope with extra traffic. We object very strongly to this."/>
