Case Officer	Bob Neville
Organisation	
Name	Jason Morris
Address	17 Wallin Road,Adderbury,Banbury,OX17 3FA
Type of Comment	Objection
Type	neighbour
Comments	<p>There are a number of significant issues with this application (1) It is more lost beautiful rural land to development in an area that has seen significant housing development in the last five years (2) The road links are already under significant pressure due to the new housing and speeding is a very real and current issue for West Adderbury, with no funds being made available from the local developments to help this- its a straight road which sees significant speeding issues around housing areas, including the sports venue development currently being done right by this proposal . The sports ground will also add traffic to an unsustainable position without a caravan park (3) the application is for 365 days use, which is likely to turn the park into a permanent resident static caravan park, potentially adding a further 400 people and their vehicles to the road. (4) There is no local financial or recreational gain from this development, not even jobs. (5) There is no pathway or foot access along the main road, so people will either travel more in vehicles or create a dangerous situation walking along the road (6) Local wild life will be impacted, their is a large herd of deer that sue this land.</p>
