Comments	<input type="text" value="I object to this proposed development as it would have a negative impact on the life of the village. Adderbury has already seen an increase in traffic through the village and a caravan park would only exacerbate the problem especially in school holidays. I believe this would lead to traffic jams and increased noise which would have a detrimental effect on the quality of life of residents living close by. The village itself does not have the necessary infrastructure to support a large influx of people, however temporary, and such a development would be out of character with the village. On these grounds, I hope that you will see fit to reject this application."/>
