Subject: Adderbury caravan park objection ref 20/01073/F

Dear Mr Neville,

I am writing to object to the proposed caravan park in the field opposite Ball Colegrave, application ref 20/01073/F.

My concerns and comments are as follows;

Firstly, I have concerns over the increased road traffic on Milton Road which already has issues with speeding and the caravan park would only worsen this issue. An increase in population could also contribute to more crime in the villages surrounding the park too.

Furthermore, the environmental impact this would have is huge and the development would not only ruin the beautiful countryside but also badly effect wildlife, including deer.

In addition, there are already other caravan sites nearby including one in Barford Saint Michael which is just 2 miles away and I cannot see why there is a need for another park in such close proximity.

Adderbury is a quiet, characterful village and does not have the infrastructure or amenities to support any increase in population and therefore without doubt I think that this application should be rejected.

Regards
Daniel Fortune
