Hi Cathy

Thanks for your email. I can agree the extension of time until Friday 19th June. The site notice has not yet been put up due to restrictions on site visits we should go up in the next week or so. The Council generally only notify those people immediately adjoining the site or opposite.

I trust this is of assistance.

Kind regards

Good afternoon

Steeple Aston Parish Council will be submitting comments on the above planning application, but I would like to request an extension of time please.

The reason for this is that there do not appear to be any site notices and therefore few residents were aware of the application. It will now be discussed fully at the next parish council meeting on 15th June so an extension of time to after this date would be appreciated.

many thanks

Regards

Cathy
