Comments	<input type="text" value="This development scheme is so far out of keeping with the village of Steeple Aston that it beggars belief for 2 serious reasons: 1) My primary concern is the increased danger to our school children, who every morning cross a narrow road with many buses and cars parked nearby. What we really do not need is more cars. This will be a serious traffic hazard - one child killed because of your scheme is one too many. 2) The scheme planned is far too large - has it escaped the developer's notice and yours that with Covid 19 Commercial Property use will plummet alarmingly. I am involved in 3 organisations and we WILL reduce our Head Office capacity by between 40-50%. Home working is the future, so an over specified Commercial Property Development in Steeple Aston runs the risk of being unused. This development should be abandoned."/>
