Dear Ms Griffiths

**Discharge of condition 13 (remediation) of 14/01932/OUT**

**OS Parcel 7400 adjoining and south of Salt Way Banbury**

Thank you for re-consulting us on the above application on 26 November 2020 following the submission of additional details.

We have reviewed the covering letter from David Lock Associates dated 25 November 2020. We understand that you have sought clarification in relation to the remediation strategy for the sports pitch and play areas. We have previously advised that the remediation strategy detailed within the Hydrock Method Statement dated 04 May 2020 is satisfactory and we have no additional comments to make in response to this new information.

Yours sincerely

**Miss Sarah Green**
