**Subject:** 20/01219/DISC - Bicester Gateway Phase 1a Travel Plan and Delivery and Servicing Plan

Hi Caroline

Apologies for the delay on this. OCC is satisfied that the amendments requested to the Travel Plan have been made. We are also satisfied with the Delivery and Servicing Plan, noting that it specifies the type of vehicle to be used and the number of movements.

Therefore OCC offers no objection to the discharge of the relevant conditions relating to Phase 1a.

Kind regards

Joy
