Dear Mr Robbins

Thank you for submitting your application online.

On checking the application, you've noted that you are both the applicant and the agent. You have also indicated that you are also the owner of the trees in Section 6; Tree Ownership. Could you confirm by return, that you own 2 Birchwood Drive? If you are not, please you supply by return, the name of the owner of 2 Birchwood Drive and that they are the applicant.

Once I receive confirmation, I will register the application.
