<b>Comments</b>	<input type="text" value="I object to the proposal to remove condition 27 (hardstanding) of 18/01491/OUT. Improvements to public transport infrastructure are vital to the safety of new and existing residents of Bunkers Hill. An increase in residents using the bus service absolutely requires better facilities than currently provided to prevent road traffic accidents. As per the planning agreement this should remain a requirement of the developer."/>
