Subject: RE: Planning notification for application reference: 20/01803/DISC

Linda

Thank you for consulting us on this discharge application, dated 20th July 2020.

The applicant has submitted an archaeological written scheme of investigation (WSI) for the archaeological watching brief to be undertaken on the works access construction at land east of Station Road Oxfordshire, located on the northern side of the railway line as shown on FIGURE 2A0359/8.1/FB,2A0162/8.1/FB - WORK ACCESS AND CONSTRUCTION of the WSI.

I can confirm that this WSI is acceptable for this watching brief for the works access on the northern side of the railway line and therefore meets the requirements for condition 9b for these works as set out in figure FIGURE 2A0359/8.1/FB,2A0162/8.1/FB - WORK ACCESS AND CONSTRUCTION.

Regards

Richard
