This department has the following response to this application as presented:

Noise: I am satisfied with findings detailed in the Noise Assessment provided.
A Construction Environment Management Plan (CEMP) will be required that considers amongst other items the potential for noise, dust and other nuisance from the preparation and construction of the site.

Contaminated Land: No comments

Air Quality: No comments

Light: No comments

If you wish to deviate from the suggested conditions then this should be discussed with the officer making these comments to ensure the meaning of the condition remains and that the condition is enforceable and reasonable.
