Organisation Name	<input type="text" value="kristina hawkins"/>
Address	<input type="text" value="22 Iris Close,Blackthorn,Bicester,OX25 2DH"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="Hello. I am writing to object to the proposed roundabout on the A41 at the junction with Graven Hill. As someone that frequently walks, runs or cycles to Bicester from Ambrosden it is bad enough having to share a tiny footpath with buggy's, bikes, walkers and mobility scooters when as soon as someone tries to move out the way you get stung by nettles or end up having to stand in the carriageway. Please ensure any roundabout is ALL user friendly and safe unlike others around Bicester. Please follow good examples from the continent where cycling is prioritised much higher than in this country. Especially now as we are encouraged to be fitter. Children cycle to secondary schools along this path. At least 1 mum walks her son from Graven Hill to Five Acres School daily. A gentleman from Ambrosden uses his mobility scooter to go to Bicester regularly. Rodney House roundabout, despite lights is not easy to get around due to speeds of traffic and drivers not concentrating. Please ensure we have safe, visible to all routes for all. I can only echo the technical response from Bicester Bug but these above are my feelings. Thank you"/>
