Subject: RE: Planning notification for application reference: 20/01832/F

Gemma,

Having assessed the application on the information submitted, my concerns would be as to any excavation works for the proposed reclaimed red brick floor laid in a herringbone pattern.

It appears that trees are within the proximity of the proposal this may have an impact on the trees, I would therefore ask to have a BS5837 Arboricultural Impact Assessment report.

Kind Regards

Jonathan Emanuel
Arboricultural Officer (north)
