Comments	<input type="text" value="We live on Rectory Lane, very close to the proposed development. We consider that the copse to the side of the Lane is of the utmost importance to the character of Rectory Lane. We moved to the Lane last year and the rural feel of the village and Rectory Lane was central to our decision. We have significant concerns that the development of a brand new, four bedroom home in that location will change the character of the street. Further, it is of note that the Lane is a narrow, no through road and the additional works traffic and heavy vehicles would cause significant detriment to all residents."/>
